

**PAYMENT TO USER FOR ACCESS  
TO USER INFORMATION BY  
OTHERS** 09/683292

09/683292

## Abstract of Disclosure

Paying users for access to their personal information by others is disclosed. Users register with an information provider. Personal information regarding the users is stored by the information provider, or at the users themselves. Organizations pay the information provider for access to the users' personal information. The information provider pays to each of these users a portion of the amount collected from the organization for access to their personal information.
